# Code of Conduct

Respect. Integrity. Responsible representation.

Uphold respect, integrity, inclusivity, and responsible representation throughout the conference.

### 01 / Respectful engagement

Address differences through reasoned argument. Personal attacks, discriminatory remarks, intimidation, and disruptive conduct have no place in formal deliberation.

### 02 / Responsible representation

Represent your assigned portfolio faithfully, maintain academic integrity, and follow the conference's procedural framework.

### 03 / Research integrity

Use credible sources, acknowledge relevant evidence, and avoid knowingly presenting fabricated or misleading information.

### 04 / Procedural discipline

Follow the Chair's directions, respect speaking time, observe committee rules, and participate in good faith.

### 05 / Inclusive participation

Respect every delegate's right to contribute. Help maintain an environment where diverse perspectives can be expressed without harassment or humiliation.

### 06 / Professional conduct

Comply with official conference policies, instructions, and applicable institutional regulations. Violations may be addressed in accordance with published policies and institutional procedures.
